

HELP US FEED KIWI FAMILIES!

The Kindness Collective is a Nationwide charity that spreads kindness by connecting children and families with the things they need (from everyday essentials to moments of joy).

KC supports over 100,000 Kiwis every year with day-to-day necessities like food, clothing, winter warmth, bedding and toiletries. We also provide moments of joy like toys, books and experiences for children that would otherwise go without.

Our food bank feeds local families and we're looking for kind school communities to help us keep the food bank stocked.

Every week we feed over 2,200 people. The cost-of-living crisis is effecting us all. It's getting tougher for families to make ends meet and it's getting tougher for our charity to keep our food bank stocked.

We're looking for schools or clubs to run a non-perishable food drive for us once every 6 months (or just once if that's all you can do!). You'll encourage families at your school to bring in a can or packet of food for a family in need. We will collect the items, take photos of your community's effort to share with our community and then distribute food to where it's needed most.

Want to read more about how we make a difference? Visit Kindness Collective for more info or visit us on @kindnesscollectivefoundation on Social Media!

Items most needed

- Fruit 410 g can
- Spaghetti 420 g can
- Baked Beans 420 g can
